WHY ME?

I am a student of Computer Science. Knowledge and experience I have gained in the past and during my studies have taught me to be well organized and communicative.
I am strongly motivated to learn and I have the ability to think logically.
I'm interested in web design and development. I want to apply theoretical knowledge to practice in a safe and realistic environment.

EDUCATION

Since 2018

Computer Science

Kraków

At Pedagogical University of Cracow
